Come and hear business professionals discuss:

- Emerging trends and changing standards within the industry
- New materials, products or workplace methods being developed
- Current and future job market in Orange County
- The most important job skills wanted in an employee
- Weaknesses in skill sets of current job applicants
- Other critical information to help you in the classroom

All attendees will be provided with resource information in the following areas:

- Sample job descriptions
- General salary information
- Industry trends
