

# KOCE TV Mock News Broadcast Production

January 15, 2008

Event Sponsors:  
KOCE TV  
Golden West

Students worked behind the camera with the support of the KOCE crew.

"Lights, camera, ACTION!" was heard on the set as the students played the role of news anchor.

Students get a look behind the scenes in the Tech Booth.

The students had a hand in every aspect of the production process.

Make-up before going onto the set is an important part of the process.
