

Medical Careers in Action March 20, 2008

Participating Companies:

**Saddleback Memorial
Medical Center
Lynch Ambulance**

***Sponsor:*
State Street**

Students are told that they will witness a medical procedure using live action and video depictions.

The EMT and the ER nurse work together to bring the patient into the ER.

Medical Professionals shared their career paths with the students who were inspired to consider careers in the Health Care field.

Medical Professionals answered questions from the students.
