

**Public Safety
Career Awareness Forum**
February 16, 2005

Participating Companies:

**Santa Ana Fire Department
Santa Ana Police Department
Garden Grove Fire Department
Costa Mesa Police Department
CARE Ambulance Services, Inc.
Lynch Ambulance**

As a part of the reenactment presentation, professionals share their career stories with the students.

Reenacting an auto accident and crime scene. Professionals show students what it is like on the job.

CARE and Lynch Ambulance EMTs and Santa Ana Fire Department paramedics educate the students about job skills.

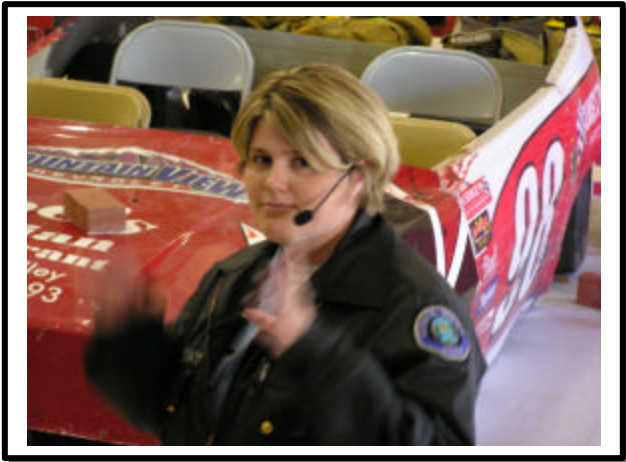

Presenters stay to have lunch with the students after a successful forum

Firefighters assisted in the rescue of the accident victims, using the "Jaws of Life".

Explorer Scouts played the role of the injured suspects.

Garden Grove ROP built a fiberglass car specifically for the forum.

Students are engaged as they watch the presentation in action.

The Santa Ana Police remained after the presentation to answer questions from the students.

An ambulance, fire engine, motorcycle and police car brought realism to the event.
